RECOMMENDATION FOR MICHAEL DiMARTINI

Dear Colleagues,

I write to highly recommend Michael DiMartini as a musician and educator. I have known Mr. DiMartini for over ten years, working with him in dance technique and composition courses at the University of California, Santa Cruz.

Mr. DiMartini is a highly esteemed music practitioner and teacher in Santa Cruz and beyond. His musical range and aptitude surpasses the large majority of musical accompanists that I have had the pleasure to work with. His excellent musicianship and professionalism enabled me to focus on my dance teaching rather than on whether he could follow my instructions and lesson plan. Indeed, I often felt that Mr. DiMartini anticipated my needs and augmented my learning goals in new and helpful ways.

I have always found Mr. DiMartini to be a person of integrity, wide-ranging knowledge and ability. I always appreciated his sincere passion for music and ever-present good humor. I encourage you to seriously consider including him in your instructional environment. I have no doubt that he will be an asset to your community.

Sincerely,

A handwritten signature in black ink, appearing to read "E. Warburton".
